MTI WIRELESS EDGE LTD.

(An Israeli Corporation)

NOTES TO INTERIM CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - GENERAL:

Corporate information:

M.T.I Wireless Edge Ltd. (hereafter - the "Company", or collectively with its subsidiaries, the "Group") is an Israeli corporation. The Company was incorporated under the Companies Act in Israel on December 30, 1998 and commenced operations on July 1, 2000. Since March 2006, the Company's shares have been traded on the AIM market of the London Stock Exchange.

The formal address of the Company is 11 Hamelacha Street, Afek industrial Park, Rosh-Ha'Ayin, Israel.

The Company and its subsidiaries are engaged in the following areas:

- Development, design, manufacture and marketing of antennas for the military and civilian sectors.
- A leading provider of remote control solutions for water and irrigation applications based on Motorola's IRRInet state of the art control, monitoring and communication technologies.
- Providing consulting, representation and marketing services to foreign companies in the field of RF (radio frequency) and Microwave, including engineering services in the field of aerostat systems and system engineering services.
- Development, manufacture and integration of communication systems and advanced monitoring and control systems for the Government and defence industry market.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

The interim consolidated financial statements have been prepared in accordance with generally accepted accounting principles for the preparation of financial statements for interim periods, as prescribed in International Accounting Standard No. 34 ("Interim Financial Reporting").

The interim consolidated financial information set out above does not constitute full year-end accounts within the meaning of Israeli Companies Law. It has been prepared on the going concern basis in accordance with the recognition and measurement criteria of the International Financial Reporting Standards (IFRS). Statutory financial information for the financial year ended December 31, 2023 was approved by the board on March 10, 2024. The report of the auditors on those financial statements was unqualified.

The interim consolidated financial statements as of June 30, 2024 have not been audited.

The interim consolidated financial information should be read in conjunction with the annual financial statements as of December 31, 2023 and for the year then ended and with the notes thereto. The significant accounting policies applied in the annual financial statements of the Company as of December 31, 2023 are applied consistently in these interim consolidated financial statements.

On April 9, 2024, the IASB published IFRS 18 'Presentation and Disclosure in Financial Statements' which replaces IAS 1 Presentation of Financial Statements and is mandatorily effective for annual reporting periods beginning on or after January 1st, 2027. The main changes are as follows:

MTI WIRELESS EDGE LTD.

(An Israeli Corporation)

NOTES TO INTERIM CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – (CONT.):

1. Mandatory sub totals to be presented in the profit and loss account.
2. Aggregation and disaggregation of information including the introduction of overall principles for how information should be aggregated and disaggregated in financial statements.
3. Disclosures related to management defined performance measures (MPMs).

The Company is currently assessing the impact of this new accounting standard and amendment.

NOTE 5 – SIGNIFICANT EVENTS:

- A. On January 5, 2024, following approval at an extraordinary shareholders' meeting, the Company granted 600,000 share options to Mr. Moshe (Moni) Borovitz, the Chief Executive Officer, and 100,000 share options to Mr. Dov Feiner, the General Manager of the Company's Antenna Division. The expense for share-based payments (such as stock options) typically appears on the income statement as part of the Company's operating expenses.
- B. The Board of directors declared a cash dividend of 3.1 US cents per share, being approximately \$2,745,000. This dividend was paid on 11 April 2024 to shareholders on the register at the close of trading on 22 March 2024.
- C. The financial statements for the year ended 31 December 2023 were authorized for issue by the Board following their approval on 10 March 2024.
- D. On 24 January 2019, the Company announced a share repurchase program to conduct market purchases of ordinary shares of par value 0.01 Israeli Shekels each ("Ordinary Shares") in the Company up to a maximum value of £150,000 (the "Programme") and on 10 March 2024 the Board of directors of the Company and the board of directors of MTI Engineering decided to extend the Programme effective from

MTI WIRELESS EDGE LTD.

(An Israeli Corporation)

NOTES TO INTERIM CONSOLIDATED FINANCIAL STATEMENTS

NOTE 5 – SIGNIFICANT EVENTS (CONT.):

12 March 2024 until 31 March 2025 and to increase the maximum value of the Programme to up to £700,000, with the intention to hold the Ordinary Shares purchased for a longer period of time. As at 30 June 2024, 1,298,000 Ordinary Shares were held in treasury under the Programme. As of the date of this report, 1,648,000 Ordinary Shares were held in treasury under the Programme.

- E. On 20 March 2024 at the Company's extraordinary meeting, Mrs. Hani Lerman was elected as an external non-executive director.
- F. On 7 October 2023 Israel was attacked by the Hamas terror organization leading to war in the Gaza region and Israel. The war has led to a slowdown in the Israeli economy and if this war continues for a prolonged period, then it may begin to impact the Company. The wide usage of military reserve personnel, adverse foreign currency exchange rates and restrictions on access to certain areas in Israel are risks which may affect the Company if there is a prolonged period of war. As of the date of this report, and to the best of the Company's knowledge, the war has not had a significant effect on the Company. The Company continues to review the effects of the war on its trading as it believes that if the war continues for a long period of time then the overall Israeli economy will be effected, and factors including the lack of available manpower, interest rates and foreign currency exchange rates may have an impact on its trading.

NOTE 6 – SUBSEQUENT EVENTS:

- A. On 20 August 2024, the Board of directors of the Company and the board of directors of MTI Engineering decided to increase the maximum value of the Programme to up to £1,000,000, with the intention to hold the Ordinary Shares purchased for a longer period of time.
